## **International Tarot Authority Sasha Graham Brings *Ghost Stories and Tarot* to the Edinburgh Festival Fringe 2026**

It's New York City, 1992 and your building is crawling with ghosts!

Internationally acclaimed tarot scholar, bestselling author, and performer Sasha Graham makes her Edinburgh Festival Fringe debut with SASHA GRAHAM'S GHOST STORIES & TAROT, an intimate supernatural storytelling event inspired by her real life experiences in New York City during the early 1990s.

Presented at Just the Tonic at The Caves, the show combines spoken-word performance with true paranormal encounters, sexy humor, and interactive audience tarot readings. No two performances are exactly alike!

Graham is one of the world's best-known contemporary tarot educators, author of more than twelve books on tarot and divination, and creator of internationally bestselling tarot decks including DARD WOOD TAROT. Her latest deck, VAMPIRE'S TALE TAROT will be released in the fall of 2026.

Set against the backdrop of a haunted midtown loft in early 90's New York City, GHOST STORIES & TAROT explores how we can fight our demons while chasing our dreams and the way stories—and cards—help us make sense of the unknown.

Whether you're a believer, a skeptic, or simply someone who enjoys a good ghost story, Graham invites audiences into a world where the occult, memory, and divination reveal the mystery of who we are.

Sasha Graham says:

"Ghost stories are one of humanity's oldest art forms. They help us confront fear, remember the past, and imagine what might exist just beyond our understanding. Tarot asks similar questions. This show gathers those traditions in a theatrical experience that is eerie, entertaining, and deeply human."
