Enter the Wood and Discover Yourself in an Entirely New Way

ST. PAUL, MINN — Dare to enter the dark wood and discover your shadow self with this enthralling Rider-Waite-Smith-style deck. As you take on the role of a witch entering the wood, you'll find each card becomes a "vision" of legends (wands), fears (swords), animals (cups), and the natural world (pentacles). These visions offer you deep wisdom, providing a richer and fuller understanding of yourself.

Examine your secret desires, your shadowy dreams, and the unknown recesses of your psyche. This deck is the key to your shadow side—the key to a quest through darkness and into the light that reflects your hidden talents and personal power.
